

INSTALLATION INSTRUCTIONS INSTALLATIEHANDLEIDING | MANUEL D'INSTALLATION

DW-C120

E: Important: Before installation, scan the QR code to access the instruction video. Watch the video carefully and follow each step. Incorrect installation may cause improper operation and void the warranty.

NL: Belangrijk: Scan vóór de installatie de QR-code om de instructievideo te bekijken. Bekijk de video zorgvuldig en volg elke stap. Onjuiste installatie kan leiden tot een slechte werking en het vervallen van de garantie.

FR: Important : Avant l'installation, scannez le code QR pour accéder à la vidéo d'instructions. Regardez attentivement la vidéo et suivez chaque étape. Une installation incorrecte peut entraîner un mauvais fonctionnement et l'annulation de la garantie.

◆ General Information | Algemene Informatie | Informations Générales

E: Please inspect the product immediately upon receipt for transit damage, missing packs/parts or manufacturing fault. Damage reported later cannot be accepted. Please handle the product with care avoiding knocks and shock loading to all sides and edges of the glass.

Notes: Safety glass cannot be re-worked

Please read these instructions carefully before the start of installation.

Special care should be taken when drilling walls to avoid hidden pipes or electrical cables.

Note: This product is heavy and may require two people to install.

NL: Controleer het product onmiddellijk bij ontvangst op transportschade, ontbrekende onderdelen of fabricagefouten. Schade die later wordt gemeld, kan niet worden aanvaard. Behandel het product voorzichtig en vermijd stoten of schokken tegen de randen en zijkanten van het glas.

Opgelet: veiligheidsglas kan niet worden nabewerkt..

Lees deze instructies zorgvuldig door voor de installatie begint.

Wees extra voorzichtig bij het boren in muren om verborgen leidingen of elektrische kabels te vermijden.

Opmerking: dit product is zwaar en mogelijk zijn twee personen nodig voor de installatie.

F: Veuillez inspecter le produit immédiatement à la réception pour tout dommage de transport, pièce manquante ou défaut de fabrication. Les réclamations ultérieures ne seront pas acceptées. Manipulez le produit avec soin et évitez les chocs ou impacts sur les bords et les surfaces en verre.

Remarque : le verre de sécurité ne peut pas être retravaillé.

Veuillez lire attentivement ces instructions avant de commencer l'installation.

Prenez des précautions particulières lors du perçage des murs afin d'éviter les tuyaux ou câbles électriques cachés. Remarque : ce produit est lourd et peut nécessiter deux personnes pour l'installation.

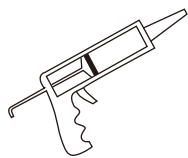

Aftercare Instructions | Onderhoudsinstructies | Instructions d'Entretien

- **E:**After use, your shower should be cleaned with soap and water. This is particularly important in hardwater districts where insoluble lime salts may be deposited and allowed to build up.
 - Cleaners of a gritty or abrasive nature should not be used. Care should be taken to avoid contact with strong chemicals such as organic solvents and strippers.
 - Glass cleaners can be used but with caution. If in doubt, contact the manufacturer of the cleaner in question.
 - Please keep these instructions for after-care and customer service details.
-

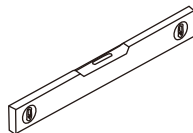

- **NL:** Reinig de douche na gebruik met water en zeep. Dit is vooral belangrijk in gebieden met hard water, waar onoplosbare kalk zich kan afzetten en ophopen.
- Gebruik geen schurende of agressieve reinigingsmiddelen. Vermijd contact met sterke chemicaliën zoals oplosmiddelen en afbijtmiddelen.
- Glasreinigers kunnen gebruikt worden, maar met voorzichtigheid. Bij twijfel, raadpleeg de fabrikant van het reinigingsproduct.
- Bewaar deze instructies voor toekomstig onderhoud en klantendienst.

-
- **F:** Après utilisation, nettoyez votre douche à l'eau et au savon. Ceci est particulièrement important dans les régions où l'eau est dure et où des dépôts de calcaire peuvent s'accumuler.
 - N'utilisez pas de produits abrasifs ou agressifs. Évitez le contact avec des produits chimiques puissants tels que les solvants organiques ou les décapants.
 - Les nettoyeurs pour vitres peuvent être utilisés avec précaution. En cas de doute, contactez le fabricant du produit nettoyant.
 - Veuillez conserver ces instructions pour l'entretien et le service après-vente.
